

prospect ip® funding selector

SOURCE SELECT

A lack of funds can be a very real barrier to developing your ideas and innovations. ProspectIP® Funding Selector can identify the best funds to help you take your intellectual property (IP) to the next stage and maintain your first-mover advantage.

FUND SELECTION

ProspectIP® Funding Selector identifies and sources UK and European grants, loans and equity investments for IP commercialisation purposes.

Our up-to-the-minute information on a wide range of sources of available funding means we can quickly and cost-effectively find the best funds to help you commercialise your ideas, bringing forward the point at which your IP can start to generate a revenue stream.

The ProspectIP® Funding Selector team will advise you on the most appropriate funds for your requirements and provide you with a shortlist of potential funders and their funding criteria.

If you would like help and advice with identifying suitable funds for developing your ideas, please ask a member of the team about ProspectIP® Funding Selector.

About ProspectIP®

ProspectIP® is an IP management company. Our modular, fixed-fee products address each of the key stages of the innovation and IP commercialisation process.

We help universities to bridge the gap between research and commercialisation, generating a valuable income stream from the research and the IP created. We also work with businesses from all sectors to help them identify, protect and generate an additional revenue stream from their ideas and innovations.

Economic commentators suggest that innovation is a key driver for the UK's future economic health. ProspectIP® is ideally placed to help your cost-effectively and intelligently identify, protect and commercialise from your ideas.
